

First Presbyterian Church
743 West Michigan Avenue
Jackson, MI 49201
517 784-9175

First Church of Jackson is in the southeast corner of the Presbytery. The only churches east of us are Stockbridge, Brooklyn, and Gregory Unadilla. For them the directions are easy—we are about 7 blocks west of downtown Jackson on the south side of West Michigan Avenue (the address is 743). The following directions are for the rest of you.

If coming from the west on I-94, use exit 138. From the bottom of the exit ramp, and counting the traffic light there, turn right and stay on that road (Business Route 127, M-50, and North West Avenue) until you get to the eighth traffic light (Michigan Avenue) where you will turn left. The church is the fifth building on the right side of the road. Parking is at the rear of the building.

If coming from the north on US-127, stay on that road (Business Route 127, M-50, and North West Avenue) through eight traffic lights and turn left at the ninth (Michigan Avenue). The church is the fifth building on the right side of the road. Parking is at the rear of the building.

If coming from the southwest on M-60, exit right on Michigan Avenue and stay on that road through five traffic lights. The church is the fifth building on the right side of the road past the fifth light. Parking is at the rear of the building.
